### Changes to the Adult Paperbacks

Our adult paperback collection has undergone a makeover! We have reorganized and interfiled all the separated genres into one paperback collection! Now, instead of searching for your favourite authors in multiple sections, the entire collection is shelved alphabetical by author last name (exactly like the adult fiction collection).

You'll still be able to find your favourite genres, like romance, western, and mystery, by looking for the genre stickers on the spine. \*If you need assistance finding a book, please see staff at our Reference Desk and they'll be happy to help.

### Frontier Life

Frontier Life gives you primary resources on the migration of Europeans and colonial regions from 1650-1920. Documents, images and map chronology help you discover the lives of settlers and Indigenous peoples in the frontier regions of North America, Africa and Australasia! \*Access it at [wbrl.ca](http://wbrl.ca) with your free library membership.
