

ACCOMPLICE: The Passport

2020, USA, 8 minutes

Filmmaker: Jeremy Grant, Teton Gravity Research

Hannah Bergemann and Veronique Sandler travel to the high Himalayas near Ladakh, India to explore remote mountain ranges and ride unexplored lines in this segment from Teton Gravity Research's mountain bike film, ACCOMPLICE.

Mount Logan

2020, France, 13 minutes

Filmmaker: Alexandre Marchessau, Arthur Ghilini

48 days of adventure, 250km of ski touring, 3800m of ascent up Mt. Logan, a first descent down the East Ridge and a 400km river trip back to the sea. Fully unsupported, three adventurers redefine what it means to take a long journey.

Cholitas (Tour Edit)

2019, Spain, 53 minutes

Filmmaker: Jaime Murciego, Pablo Iraburu, Arena Comunicación Audiovisual

Five Indigenous Bolivian women embark on a unique expedition as a symbol of liberation and empowerment. Their goal? The highest peak in the Americas, Aconcagua.

Pathfinder – Life Beyond Fear

2019, Norway, 10 minutes

Filmmaker: Dan Lior, Adam Rubin, Raised by Wolves

Follow six slackliners on a mission deep in the Norwegian mountains as they attempt walking a highline elevated in the vastness between two colossal cliffs, illuminated only by the mystical northern lights.

Ten Thousand Bolts

2020, USA, 18 minutes | Advisory: Coarse language

Filmmaker: Duncan Sullivan, Alex Levin, Ashley Benzwie

A portrait of Toni Arbones, a professional rock climber and route bolter who, over the course of 30 years, has single-handedly turned Siurana, Spain into one of the most popular rock climbing areas in Europe.

K2: The Impossible Descent (Tour Edit)

2020, Austria, 23 minutes | Advisory: Coarse language

Filmmaker: Slawomir Batyra, Michal Zamencki, Slawomir Richert, Tom Fish, Red Bull Media House

K2, the 'Savage Mountain', holds a mythical place in the hearts of climbers around the world – 1 in 4 do not return from it. On July 22, 2018, Polish ski-mountaineer Andrzej Bargiel makes 'the impossible descent' from its summit.
